

STUART H. HURLBERT
Professor, Department of Biology
Director, Center for Inland Waters
San Diego State University San Diego, California 92182-4614
Phone: 619-594-5409
Fax: 619-594-5676
email: shurlbert @ sunstroke.sdsu.edu

EDUCATION

B.A. in Biology	1961	Amherst College, Amherst, Massachusetts
Ph.D. in Zoology (Ecology)	1968	Cornell University, Ithaca, New York

PROFESSIONAL EXPERIENCE

1966	Summer, Instructor in General Zoology, Cornell University
1966-1970	Post Doctoral Fellow and Lecturer, Department of Entomology and Department of Life Sciences, University of California, Riverside
1971-1972	Visiting Professor of Ecology, University of Chile, Santiago, Chile
1970-date	Assistant, Associate, Full Professor of Biology, San Diego State University
1997-date	Director, SDSU Center for Inland Waters

HONORS AND AWARDS

1984	American Statistical Association, G.W. Snedecor Award for best 1984 publication in biometry
1989	American Association for the Advancement of Science, Election as Fellow
1994 - 1999	International Society for Salt Lake Research, President
1995	Distinguished Visiting Scholar, University of Adelaide, Adelaide, Australia
1998	Distinguished Ecological Statistician Award, International Ecological Assoc.

RESEARCH INTERESTS

Limnology of saline lakes, including their water chemistry, physical processes, algae, invertebrates, fish, and waterbirds; Ecology and restoration of the Salton Sea; Ecology of lacustrine plankton, with emphasis on the study of prey-predator, competitive and grazing interactions using experimental microcosms; Ecology and conservation of the South American flamingos in the Central Andes; Experimental design and biostatistics; Mathematical ecology
